## President's Messages & Announcements:

**President Michael O'Sullivan** asked for the introduction of guests. **Dr. Julian Crocker** was the only guest present.

**John Ehlers** announced that the [Cambria Historical Society](#) had commissioned a new accurate painting of the sinking of the **SS Montebello** off our coast during World War II. A torpedo from a Japanese submarine was the culprit. At the [Cambria Historical Museum](#) next Thursday, 5:30 pm, there will be an unveiling of **Tom Gould's** new painting, followed by a reception. Members should RSVP to **John Ehlers**.

**President Mike** asked for volunteers, including himself, to help clean out and re-arrange our storage unit following VIVA. **Christel Chesney** volunteered to chair the project. A further idea was to photograph the remaining gambling tables so that they might be sold online.

**Bob Kasper** and **Mike O'Sullivan** shared two jacket-worthy jokes, but no jacket was awarded.

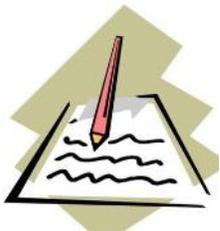

**Flying Fuzzy's** Shop Owner **Sharon Harvey** said that November 11<sup>th</sup> will be her last day at her store as she prepares to retire. She urges members to come down for the deep cut prices. She also encourages members to contact her by email or on her home phone, because her business phone is being disconnected.

### SHERIFF DICK

**Sheriff Dick** had a bad week. Also, neither his **Deputy Bob Putney** nor **Fine Master Rick Low** were present to report deviance and celebrations.

# Help Wanted

**Note Takers:** We are always looking for a few more people willing to take notes at our meetings. The more people we have signed up, the less often each of us needs to take on the task. It is not hard at all but it really helps.

**Can't make it to our Friday meeting? Want a large salad instead of the regular meal? Bringing a guest? Want to sign on as a note-taker?**

## PRESENTATION: GRIZZLY YOUTH ACADEMY

**Dr. Joe Morrow** apologized that the Grizzly program representative had failed to mark the date and did not show up. **Dr. Julian Crocker**, Grizzly Youth Academy Charter School administrator for almost 20 years, gave an outline of the program. Dr. Crocker explained that the mission of the National Guard Youth Challenge Program is to intervene in and reclaim the lives of 16-18 year old high school dropouts. It is the hope that graduates leave the program with the values, life skills, education and self-discipline needed to succeed as productive citizens. The program is run jointly by the National Guard at Camp San Luis and by the San Luis Obispo County Office of Education who provides the teaching staff. There now are three such programs in California, funded mostly by the federal government, and several throughout another country. The program has been highly successful.

The Grizzly Youth Academy Mentor Program

Both Dr. Joe and Dr. Crocker spoke about the importance of the Mentor program to the Grizzly cadets. Each Grizzly is matched with a mentor who tries to stay in contact with the student at least once a week by phone, note or visit. This interaction does not end when the Grizzly student completes his five months in residence and graduates. The communication continues as the student enters the work force, continues his education or joins the military. The commitment for a mentor is a year, and there is a one day mandatory training for this role.

Information about the Grizzly program and the Mentoring opportunities is available online:

**Dr. Joe** gave a brief presentation about an area of medicine he is studying: Ayurvedic Medicine. He explained that the tenets of this type of medicine came from the ancient Hindu tradition from older than 3000 BC. The focus is on healthy living and wellness.

**Dr. Joe** told us some salient points about this way of thinking:

The earth and humans are both made up of  $\frac{3}{4}$  water. We need to stay hydrated. Digestion is key to wellness and illness. We should eat live food, not dead processed food. We should eat foods available in season. We should chew our food to a liquid. We should think about what gives us life and what sucks the life out of us. Synchronize life with the seasons of the year. Our senses are not always reliable to tell us what is good for us. We may overindulge.

There are three Doshas which need to be in balance in a healthy person: VATA- anxious, brain running wild; PITTA- very organized, frustrated with VATA; and KAPHA- personality stagnant, i.e. indoors on sofa, but feels bad about it.

## ROTARY CLUB OF CAMBRIA FOUNDATION

The Rotary Club of Cambria Foundation, Inc. (our Foundation) is a qualified 501(c)(3) entity that has established a permanent endowment fund, the goal of which is to ultimately generate income sufficient to ease the pressure of fundraising.

Our Foundation receives the proceeds of fundraisers (e.g. VIVA, Chili Cook-Off Beer Booth, 4<sup>th</sup> Of July Smoothie Booth) and allocates those proceeds by formula among the Rotary Club Of Cambria (our Club) Avenues of Service and the permanent endowment fund. Some of the income generated by the endowment is also allocated to the Club Avenues of Service.

Note that our Club member's annual dues are remitted to Rotary International and our District 5240 for dues, and that our Club member's annual pledges are used for the operating expenses of our Club. Neither your dues nor your pledge go through or to our Foundation.

Note also that our Foundation is separate from TRF (The Rotary Foundation), which was established by Rotary International and is involved in worldwide projects such as the eradication of polio.
