## Presentation: "Interactions of Trauma and Long Term Incarceration"

**Dr. Joe Morrow** was this weeks presenter. He explained to us that he participates in group sessions with inmates to help them deal with the effects of long term incarceration.

Joe explained that prisoners often have anxiety and irritability as they get closer to their release date because they have a fear of dealing with the outside world. In prison, all decisions are made for them and they are in constant fear of everyone around them. Often former inmates have trouble trusting and relating to people and are afraid of being in crowds.

In prison, inmates must follow an extremely strict schedule. Living on the outside, where one determines most of their own schedule can be scary. Even the fact that in prison, the lights are on 24 hours a day can cause a former inmate to suffer extreme anxiety just being in a room with the lights out for the first time.

They also need to deal with the fact that they must learn to live in a world that has gone through many changes since the last time they saw it.

Thanks for a great presentation, Joe. I am sure most of us never thought of some of the obstacles facing those who have been incarcerated for an extended period of time.

### VOLUNTEER QUOTE OF THE WEEK

Without community service, we would not have a strong quality of life. It's important to the person who serves as well as the recipient. It's the way in which we ourselves grow and develop.

## ROTARY CLUB OF CAMBRIA FOUNDATION

The Rotary Club of Cambria Foundation, Inc. (our Foundation) is a qualified 501(c)(3) entity that has established a permanent endowment fund, the goal of which is to ultimately generate income sufficient to ease the pressure of fundraising.

Our Foundation receives the proceeds of fundraisers (e.g. VIVA, Chili Cook-Off Beer Booth, 4<sup>th</sup> Of July Smoothie Booth) and allocates those proceeds by formula among the Rotary Club Of Cambria (our Club) Avenues of Service and the permanent endowment fund. Some of the income generated by the endowment is also allocated to the Club Avenues of Service.

Note that our Club member's annual dues are remitted to Rotary International and our District 5240 for dues, and that our Club member's annual pledges are used for the operating expenses of our Club. Neither your dues nor your pledge go through or to our Foundation.

Note also that our Foundation is separate from TRF (The Rotary Foundation), which was established by Rotary International and is involved in worldwide projects such as the eradication of polio.
