**President Sharon** welcomed us all to the meeting.

- Pres. Sharon announced a new "**Creative Club Social**" at **Patty Griffin's** new studio on May 9...a chance for us Rotarians to try and discover our creative sides!
- **Julie Hastings** reminded us to write thanks you cards to those **Honor Flight** participants and please bring to Julie by April 14.
- **Heide Santos** showed us photos of the very successful planting of Cypress trees (34!!) and the new greenhouse at the **Santa Lucia Middle School**. Funds were provided by our Club. Thank you to most of all to **Past Pres. Joan Broadhurst**. This project was funded in her Presidential year.

A hearty congratulations to our own **Donna Crocker** on completing her Master PRLS! This is even more commendable considering she had to stop the classes after 40 hours because of her cancer surgery. Wow, Donna! Way to go!!

**Presentation:**

Our very own **Heide Santos**, gave us a wonderful presentation about her trip to **Antarctica** on a small cruise ship. The scenery was breathtaking! Apparently they really lucked out with the weather. Rumor has it Heide was tempted to bring home a penguin (there were hundreds to choose from) but she was concerned Kismet might not have been too happy. By the end of her presentation, a good many of us were ready to book the next cruise! Thank you, Heide!
